

EXHIBIT # 10
DATE Jun 25th
HB 242

Please vote "yes" on HB242 to move School Board Elections to the primary election date. It is very hard to remember to vote **just** for school board elections (I've never voted in them for this reason). I'm sure more people would participate in school board elections if they were held along with all the other voting. Also, it seems having one less separate voting event would save taxpayer money. A final thing to consider is that our school board has become too removed from the community it serves. It doesn't think it's answerable to this community! Moving the vote to a time everyone's thinking about voting would be a step in the right direction. Please vote "yes" on HB242.
